

Ponce Health Sciences University- Moffitt Cancer Center Partnership

POSITION ANNOUNCEMENT

Cancer Research Post-Doctoral Fellowships available at the Moffitt Cancer Center in Tampa, Florida

The U54 PHSU-MCC Partnership Pre-doctoral to Post-doctoral Transition Fellow Program is intended for Ph.D. students about to start their final year of graduate training. The goal is to support and mentor the Ph.D. candidate toward a post-doctoral position where, as a fellow at the Moffitt Cancer Center, he/she will be provided additional support and mentoring tailored for their career development. The Fellow will gain increased knowledge and understanding of existing health disparities in the Hispano/Latino population, build a strong research portfolio and establish themselves as highly competitive cancer researchers.

Eligibility: Ph.D. Candidates in their final year interested in cancer research

Benefits: Tuition and salary. Travel funds available.

Interested participants should submit an updated CV, brief letter of interest and completed application form to icorrea@psm.edu by Dec 15th, 2018
